*All dresses, jumpers, navy blue uniform shirts, pull over sweaters, and pull over sweater-vests for both girls and boys should have a school logo.

*All sweatshirts or jackets worn in class should also have a school logo.

*White blouses are worn only under jumpers. These should have both a collar and sleeves, but do not require a logo.

*School logos are not required on navy blue cardigans (open, button-down sweaters), at this time.

Shoes for both boys and girls should be black, brown, navy or white. Tennis shoes are always a good option.
